## WHY STOCKED MATTERS

A wide selection of stocked items from multiple categories means that you can bundle together the items you need, have them arrive together, and save on freight. It also means that you get the product you need fast to minimize the amount of time your rooms are down. We have shipments of stocked items arriving weekly, as compared to many of our competitors who can take anywhere from 10-16 weeks to fulfill an order. If you decide a custom item better suits your needs, our lead time is 12-14 weeks from order to arrival in Chicago.
