Commercial Features

- Slim 2" Cabinet** A thinner cabinet reduces weight, and allows the TV to sit closer to the wall when mounted.
- Antenna/Cable Merge** Ability to merge different video frequencies into a single channel lineup.
- Channel Labeling** Allows channels to have individual customized labels.
- Digital/Analog Channel Sort** Allows channels to be sorted by type instead of by channel number.
- Auto Detect Side A/V** Allows users to easily connect peripheral devices to side input without the use of remote.
- Initial Channel** Sets the input/channel for the TV to tune when turned on.
- Channel Hold** Locks current channel to prevent channel changes by user.
- Volume Limiter/Initial Volume** Sets the minimum, maximum and initial volume settings when the TV is turned on.

- USB Cloning Capable** Allows rapid duplication of TV configurations for easy installation and maintenance.
- USB File Play** Allows guests to play MP3 and JPG files, as well as charge mobile devices.
- Auto Power Off** Allows the TV to turn off after a selectable period of inactivity.
- Master & Guest Remotes** Separate remotes for configuration and operation.
- Front Panel/Menu Lockout** Allows facility to disable front panel and menu controls to make television "tamper proof".
- Low Power Usage** Uses only 80 watts while in full operation.
- Power On/Off Scheduler** Set single time or recurring time for the TV to power on and off.
- Energy Saving Features** No signal/activity power off, ambient back lighting control, less than 1 watt in standby mode, low power LED.
- VESA Standard Mount Pattern** Wall mount your TV using standard mounts.
- 1 Year Exchange Warranty** We ship you a new TV immediately to minimize down time.
